

How this works

I can't wait to hear about your pet!! Email me at Julie@julienoles.com or call 256-503-2513 to talk about what you have in mind. Make sure to include info about your pet – their personality, what you love about them, etc.

I want to see pictures too. High resolution images are a must. Send as many photos as you like, and if you aren't sure which ones would make the best painting, I can help sort that out.

A 25% non-refundable deposit is required to cover cost of materials that will be used. If a commission is cancelled before work begins, the deposit will be refunded. Once the work has started the deposit is non-refundable.

Prices are based on one subject, head and shoulder.
(Multiple subjects or full body pose will require a quote).
